

REQUEST FOR STATEMENTS OF QUALIFICATIONS

The City of Nebraska City, Nebraska is conducting a pilot program for the operation and use of shared mobility scooters (i.e., app-based scooter rentals). The outcome of this pilot program is to determine the long-term viability of Shared Scooter services in Nebraska City, NE, and best practices for this mode of transportation. The City is inviting “Statements of Qualifications” and other pertinent information from prospective companies/operators interested in becoming the exclusive provider of shared scooters within the city limits. Deadline for submittal of written material is 12:00 pm, Tuesday, August 31st, 2021, and should be received at City Hall at 1409 Central Avenue, Nebraska City, Nebraska 68410. Respondents interested in this proposal are advised to carefully review the information outlined in the Request for Statements of Qualifications and respond accordingly. To receive a copy of this full document, including submission requirements, or to ask questions, call or stop by City Hall at 1409 Central Avenue in Nebraska City or 402-873-5515, Lou Leone, City Administrator. A copy can also be downloaded from the “Documents” page of the city website, <https://nebraskacityne.gov/permits-licenses/>
